

## What makes PEGI a great place to work?

We asked our employees and here's what they had to say:

**10**

**Commuting Options**

PECI's central location in downtown Portland; it has the best sustainable commuting options around.

**9**

**Fun**

It's a professional working environment, but everyone still knows how to have fun.

**8**

**Green Practices**

The employee team, Green@PECI. It's another way that keeps us walking the talk, by contributing to improving office's own sustainability practices.

**7**

**Clear Vision**

A management team with a clear vision and direction.

**6**

**Stewardship**

The company's genuine desire to be responsible stewards for their clients, colleagues, partners and community.

**5**

**Learning**

There's always an opportunity for learning and development.

**4**

**Creativity and New Ideas**

Creativity is always encouraged, and new ideas are listened to and explored.

**3**

**Challenging Work**

Challenging work that is meaningful. Our efforts have a real impact on making a better planet.

**2**

**Passion**

We fuel our own passion for energy efficiency.

**1**

**The People**

It's our coworkers with their genuine dedication that make PEGI a great place to work.
